Dear Friends,

March is here, which means we are fully into the heart of Mantour Season. After months and months of planning, preparing, and promoting, the Unbreakable Mantour conferences are finally here!

We spent most of February tying up loose ends of prepping for the conference and nailing down the final details and schedule of the event. We also focused on working ahead on social media posts, so the burden would be less as we travel over the next few months.

February also involved many, many hours filming and editing the videos that accompany Adessa's new books. That's right! Adessa wrote and released two new Bible studies! They are the first installments in the "Mind-Blowing Truths" series she is producing. These Bible studies are for men and women and feature amazing teaching, an in-depth workbook, and even accompanying videos to go with each chapter. They were released on March 1 and are fabulous resources for churches and individuals!

March 1 was a busy day for us. Not only did Adessa release her new curriculum, but it was also our first Unbreakable Mantour.

We kicked off the season with our South West PA Mantour at New Stanton Assembly. We had the largest attendance to date, which was a tremendous way to kick off the conferences. Our host church did such a phenomenal job hosting us. Check out the stage they constructed for us.

Jason Lamer kicked it off in session one by sharing on the need for men to get up off the mat. Using the example of Jacob wrestling with God, he challenged the men to fight for freedom. His powerful message resonated with the men, and they really responded to him.

Our second session speaker was Bobby Basham. Bobby spoke on the topic, Hitting Below the Belt. Using the example of David's son, Amon, he shared how we can't confuse lust with intimacy. He had a powerful challenge to break free from porn and sexual sin. One thing he said that really stuck out to me is how boredom often is the thing that causes men to fall into sexual sin. That is so true! The altar was packed after Bobby's message as men responded to his challenge.

Wayne Schaffer brought the challenge in the final session, encouraging men to go the distance. He discussed the need to persevere and not quit until we hear the trumpet. I loved his point that we all have people only we can reach and battle only we can fight. That's true! He really brought a strong message that really connected with the men.

It was a great start to the conferences as over 220 men showed up to learn and grow despite the bitter cold and snow showers. Thankfully, the snow didn't lay!

Now we move on to our North East Pa Mantour in Trucksville, Pa, where registration is already up over last years. Our Central Pa Mantour and the East Central Pa Mantour follow it. That's four conferences in March, then two in April, and one in May. So, there is still plenty of time for you to get to your local Unbreakable Mantour Conference!

I can't wait to see how God moves at the remaining conferences.

As we move forward into our conferences, I want to emphasize how crucial your prayers are for us. We're not just gathering men; we're on a mission to transform lives. Our goal is to see men saved, healed, and delivered, stepping back into the ring of life as unbreakable men of God. This is a powerful journey, and together, we can make an incredible impact.

One last area where we need prayer is regarding our finances. As we look ahead to 2025, we are believing for ****20 new supporters****—churches, individuals, or businesses—to join us at just ****\$100 a month****. This is not just about finances; it's about building a community that stands together to change lives. Will you rise to this challenge? Your support can be the catalyst for significant transformation.

****Act NOW**** to set up your recurring support by scanning the QR code above or visiting <https://giving.ag.org/donate/700001-428363>.

What better time to become a monthly partner than during Mantour season? Together, we can make an unstoppable difference! Don't miss out—join us today!

Thank you so much for reading this message. I look forward to seeing you at your local Mantour Conference!
